TIJ Standard  
 Seller warrants that the goods, services and work provided under this order will be compliant with and comprehend the year 2000 century date change. Seller's obligations under this warranty include, but are not limited to, the duty to ensure that the goods, services and work will not 1) have any operational impediments; 2) malfunction; 3) cease to perform; 4) generate incorrect or ambiguous data; and/or 5) produce incorrect or ambiguous results, with respect to same-century and multi-century formulas, functions, date values and year-data interfaces. Buyer reserves all remedies for any breach of this warranty by Seller.
